Brake Flush • Transmission Flush  
Fuel System & Carbon Cleaning Service  
We Service & Repair Harley Davidson Motorcycles

### Not Happy with Your Current Repair Shop? Give ASG a Try!

With more than 60 years of combined experience, Automotive Service Group provides exceptional automotive service and repair. They are more than just a "general" repair shop. Owner Greg Williams can provide services most other shops cannot, such as service on hi-performance vehicles and Harley Davidson repairs. They have the most up to date diagnostic equipment available to service any drivability issue the customer may experience. ASG also offers services from brakes, to transmission rebuilds to custom choppers. Even though some of their pricing maybe slightly higher than competitors, they have leading technical backed techs in the industry eliminating the need for unnecessary repairs - resulting in repairing your vehicles the first time. "We have to start with this first" is not an option at ASG.

If you have any lifetime brake warranties from another automotive repair shop and are not happy with the service or feel you paid too much, they will honor their guarantee. ASG can also offer a lifetime warranty on pads and shoes as well. A 12 month 12,000 nationwide warranty is provided on these services.

Commercial accounts welcome. Automotive Service Group is located at 50111 Vandyke Ave behind JMJ motors. Hours are Monday thru Friday 8am-6pm and Saturday 8am-4pm. If you would like to have your vehicle serviced or have any questions call 586-739-5425.

ASG is offering thru the end of September a FREE brake inspection and a \$18.95 oil change and tire rotation. Each service includes a 50-point safety inspection. Stop by and see us!
