HOROSCOPES

CAPRICORN
December 22-
January 19

Clear your conscience, Capricorn. Let others know of your mistake and express your regrets. If you don't, it will eat away at you bit by bit.

AQUARIUS
January 20-
February 18

Work takes over, and you push full steam ahead. Fishing for information at home turns up nothing. Leave it be, Aquarius. A phone call sets the stage for an interesting weekend.

PISCES
February 19-
March 20

You have moved into new territory, and it will pay for you to watch and learn, Pisces. An old friend drops by and whisks you away to a winter wonderland.

ARIES
March 21-
April 19

The time has come for you to make your big move, Aries. Cast aside all self-doubts and take the plunge. New digs call for new designs. Make wise purchases.

TAURUS
April 20-
May 20

Nonsense, Taurus. What is good for the goose is not good for the gander. Concentrate on your self and let others make their own decisions.

GEMINI
May 21-
June 21

Your financial outlook has improved more than you realize, Gemini. Take the time to find out why. A gargantuan task requires a gargantuan effort.

CANCER
June 22-
July 22

Advice is not in short supply. Some is better than others, so take the time to sort it out, Cancer. Your love life perks up with a long-awaited gift.

LEO
July 23-
August 22

Not happy with the way a project is going at home? Speak up now, Leo, or forever hold your peace. Change cannot be implemented later.

VIRGO
August 23-
September 22

An addition to the family gives everyone a reason to smile, including you, Virgo. Chaos ensues at work with a phone call. Try not to get drawn into the fire.

LIBRA
September 23-
October 22

You may be quick, but that doesn't mean everyone else is. Make your intentions clear, Libra, and leave no room for error. A change of venue calls for different activities.

SCORPIO
October 23-
November 21

Experience matters, Scorpio, so don't overlook it in favor of skill. You are given a pivotal role in a charity function. Perform with gusto. A friend shares good news.

SAGITTARIUS
November 22-
December 21

Back off, Sagittarius. You have interfered too much already. Fitness goals are within reach. Keep at it. A young friend sends you a puzzling note.
