

## HOROSCOPES

**CAPRICORN**  
December 22–January 19  
The struggle continues at work. Take notes, Capricorn, and be ready to act when the opportunity arises. A meeting of the minds at home bears promising results.

**AQUARIUS**  
January 20–February 18  
A kind gesture inspires you to pay it forward. Start with a friend that's feeling blue. A change in venue opens up the possibilities. Be creative, Aquarius.

**PISCES**  
February 19–March 20  
All of your hard work in the kitchen pays off, and you make quite the impression at a business dinner. Bravo, Pisces. A friend drops by under the guise to chat.

**ARIES**  
March 21–April 19  
Save it, Aries. You made your suggestions known, and now it's time to let others speak. The more information presented, the better the solution will be.

**TAURUS**  
April 20–May 20  
It's beyond saving. Let it go, Taurus, and a better opportunity will arise. An account error causes some headache but is fixed well within time.

**GEMINI**
